

HeartShaper

Words and Music by Bruce Stacey and Ian Tanner ©2004

Create in me a pure heart
Oh Lord this is my prayer
Shape my life within Your hand
Show me your love and care

Chorus:

You're my HeartShaper
The shaper of my heart
My HeartShaper
You loved me from the start
All my life I want to follow You
You are all that I want to be
Come and mold me with Your perfect love
So the world might see You more in me

I pray HeartShaper...
Shape this heart of mine

I see You in the love that people share
The pattern of your purpose everywhere
Your words of truth are like a lamp
That lights the way for me

Chorus
